

TOOL KIT CHART #9: A 3-GENERATION HEALTH FACTOR CHART

Name of Dog _____ Date of Birth _____

Degree of Linebreeding (Ancestors common to both the sire and dam in the first 3 generations) _____

Abbreviations: Pgs=Paternal grandsire Pgd=Paternal granddam Mgs=Maternal grandsire Mgd=Maternal granddam
 Pgg=Paternal Great-grandsire Pggd=Paternal Great-granddam Mgg=Maternal Great-grandsire Mggd=Maternal Great-granddam

Directions for Determining Vita-Scores

Put the name of the dog and each ancestor in the first line of boxes below. Place either an X or a **medical test score** in the appropriate box to indicate the presence of any of the below disorders in your dog's family tree. Blank boxes are available for you to add any other disorders or health conditions you wish to track.

For definitions of the disorders listed below, refer to Tool Kit Chart # 10.

| <i>Write names of ancestors in boxes to the right.</i> | Dog | Sire | Dam | Pgs | Pgd | Mgs | Mgd | Pgg | Pggd | Pgg | Pggd | Mgg | Mggd | Mgg | Mggd |
|--|-----|------|-----|-----|-----|-----|-----|-----|------|-----|------|-----|------|-----|------|
| DISORDER | | | | | | | | | | | | | | | |
| 1. Cancer | | | | | | | | | | | | | | | |
| 2. Cherry eye | | | | | | | | | | | | | | | |
| 3. Conjunctivitis | | | | | | | | | | | | | | | |
| 4. Demodectic mange | | | | | | | | | | | | | | | |
| 5. Ear infections | | | | | | | | | | | | | | | |
| 6. Entropion | | | | | | | | | | | | | | | |
| 7. Entropion | | | | | | | | | | | | | | | |
| 8. Epilepsy | | | | | | | | | | | | | | | |
| 9. Gastric torsion – (Bloat) | | | | | | | | | | | | | | | |
| 10. Glaucoma | | | | | | | | | | | | | | | |
| 11. Hip dysplasia | | | | | | | | | | | | | | | |
| 12. Hypothyroidism | | | | | | | | | | | | | | | |
| 13. Immune deficiency defects | | | | | | | | | | | | | | | |
| 14. Inguinal hernia | | | | | | | | | | | | | | | |
| 15. Intervertebral Disk Disease | | | | | | | | | | | | | | | |
| 16. Mycoplasma | | | | | | | | | | | | | | | |
| 17. Osteochondritis Dessicans (OCD) | | | | | | | | | | | | | | | |
| 18. Overbite | | | | | | | | | | | | | | | |
| 19. Panosteitis (Pano) | | | | | | | | | | | | | | | |
| 20. Patellar luxation | | | | | | | | | | | | | | | |
| 21. Pyometra | | | | | | | | | | | | | | | |
| 22. Radius agenesis (Bowed front legs) | | | | | | | | | | | | | | | |
| 23. Sarcoptic mange | | | | | | | | | | | | | | | |
